## SUMMARY:

As a full stack developer with expertise in data manager, I master JavaScript, TypeScript, HTML, ReactJS, NextJS, Tailwind CSS, ExpressJS, Sequelize, PostgreSQL, and NodeJS. With a positive mindset and adept problem-solving skills, I provide rapid solutions to intricate challenges. Committed to innovation, I leverage cutting-edge technologies to enhance efficiency in web development projects. My proficiency spans full-stack development, and my passion drives me to stay updated with the latest advancements in software engineering.
